1. Andy has been interested in Japanese since he visited Japan last year. He tried to read books and watch movies to study Japanese, but they were too difficult for him. His parents advised him to make Japanese friends through the Internet. So, he posted a message on a message board. He's now got Japanese friends and he exchanges emails with them.

Q) How does Andy learn Japanese?

F

2. Last month I bought a nice sweater. But when I was wearing the sweater three weeks ago, I caught my sleeve on a door handle. There was a big hole in the sleeve. I wanted to wear it again. So I took my sweater back to the shop. The staff said they could fix and return it within two weeks. At last I received my sweater yesterday. I was really happy.

Q) Why did she take the sweater to the shop?
